## SLEEP PRODUCTS

### About Us

Restwell Sleep Products is a well-established and privately owned and operated manufacturer and distributor of mattresses, foundations, and other related sleep products in business since 1990. We are one of Western Canada's largest privately-owned mattress manufacturers. We manufacture the Spring Air, Novo Sleep and Pure Energy brands, and we supply many of Western Canada's independently owned retail bedding and furniture stores, hotels and some national chains.

We are currently accepting applications for Full-Time Production Workers in our mattress department. This role requires assembling materials into mattresses using hand tools. These are physical positions in which you will be required to lift upto 50 lbs and stand for extended periods of time.

On-the-job training will be provided; no experience is necessary.

### Qualifications

- Ability to work in a physically demanding environment
- Ability to lift to upto 50 lbs consistently
- Communication skills, including the ability to read, write and speak English at a functional level
- Able to work with power & hand tools – we will provide you training on how to operate
- Able to take direction and perform tasks within specified time frames in a fast-paced environment
- Excellent attendance & punctuality
- Ability to work scheduled shift required and any mandatory overtime assigned

### Hours of Work:

- Monday through Friday, 6:30 AM to 3:00 PM. Overtime possible if production demands require, either after 3 PM or on Saturday mornings.

### Compensation:

\$17.25 per hour plus an extended benefits package (Medical, Dental, Vision, Rx, Life Insurance, LTD and AD&D) after three months of employment. We also offer employee pricing on our sleep product. Bi-weekly direct deposit.
